

Dual monitor arm office solid pro

Item No. AC8326

DESCRIPTION

- Solid ergonomic desk mount suitable for 2 monitors up to 32" and 12kg
- Adjustable in height
- Flexible arm: 3 pivot points for the best viewing distance

- VESA 75x75 and 100x100; easy screen mounting system
- Hidden cable management
- Screen adjustment: tilt, rotate and swivel
- Clamp mount and grommet mount included for attaching to and through a table (max. table thickness 88mm)

The AC8326 Monitor Desk Mount creates an ergonomic and space-saving work environment. Attach this solid monitor mount easily to or through a desk (max. table thickness 88mm). Attach two screens up to 32" and 12kg to the AC8326 effortlessly via the easy screen mounting system. The mount has 3 pivot points for getting the best viewing distance. Adjust the monitors with the flexible screen adjustments: tilt, rotate and swivel. The cable management is integrated inside the pole so the cables are being kept out of sight.

Solid desk mount for professional use

The AC8326 Monitor Desk Mount is ideal for professional use by its robust design. The mount is adjustable in height and has three pivot points. Tilt, swivel and rotate your screens to create an ideal ergonomic work space and reduce the risk of neck, back and shoulder complaints. Cables are kept out of sight with the integrated cable management that is hidden inside the pole.

Convenient monitor mounting system

The easy mounting system makes it possible to attach the monitors to the desk mount all by yourself. The mount has VESA 75x75 and 100x100. The AC8326 comes with all mounting gear for both the clamp and grommet mount. The desk mount is suitable for tables with a maximum thickness of 88mm.
