Ballpoint pen with Viscoglide® technology for extraordinarily easy, gliding writing. Writing colour green. Extra Broad line width (XB). The ink dries quickly - even on smooth paper - and is smudge proof when highlighting it later on. Slimline design with an attractively decorated transparent barrel and clip cap that fits neatly on either end of pen. The rubberised grip zone provides a secure hold for relaxed writing. The wear-resistant stainless steel tip guarantees that the large ink supply can be fully used and does not smear.
