

Cento

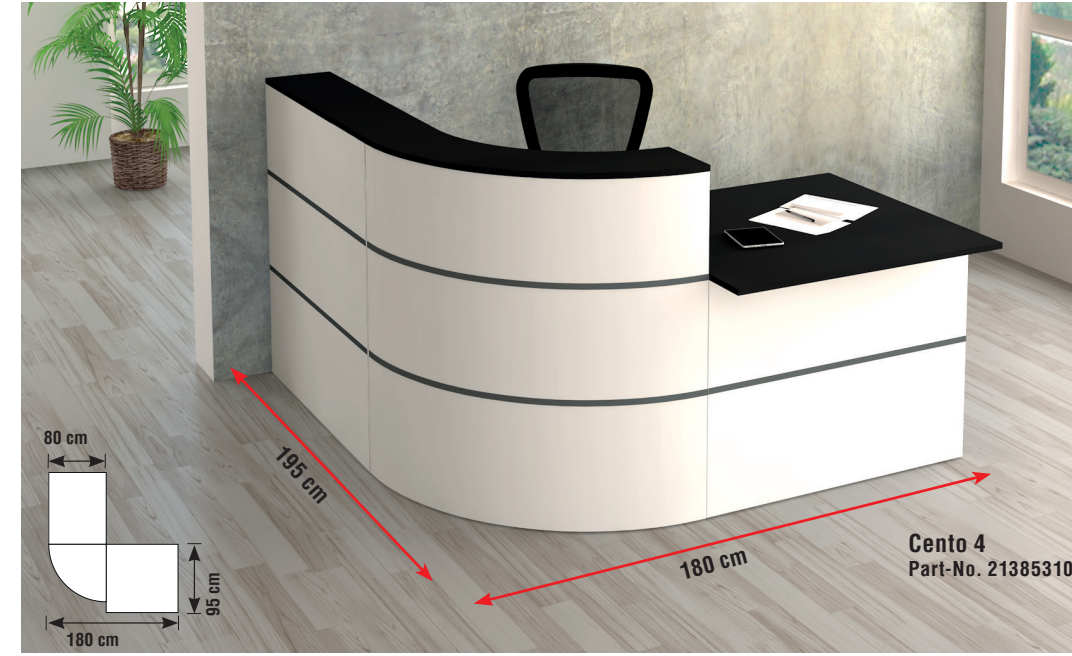

Design reception desk in six models:

This reception desk is a steel/wood construction. Behind the 110 cm front is a large work area with a depth of 80 cm and a height of 74 cm.

The desktops are laminated with melamine and have ABS edging. The desk top has a cable outlet, and the reception desk metal body has decorative stainless steel strips.

Add-on elements

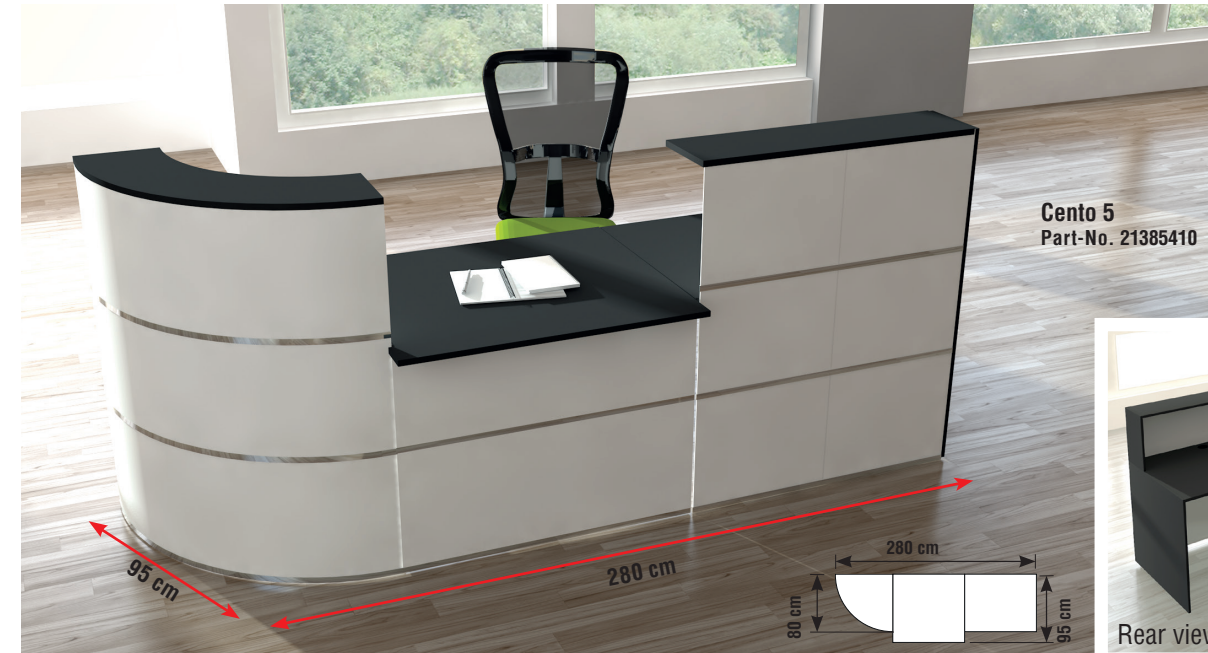

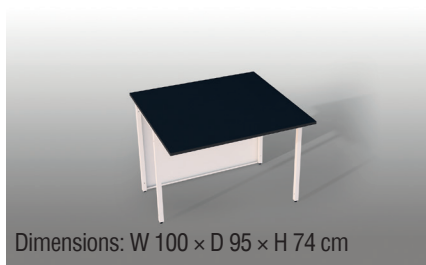

All these models can be extended by using these elements. The elements are 100 cm long and can be either added to the left or right hand side of these model variants.

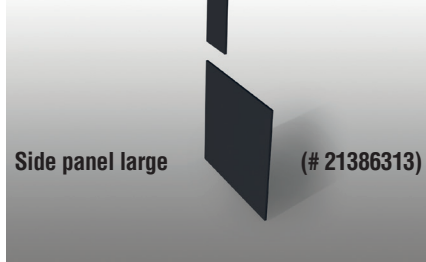

Add-on element (# 21386010)

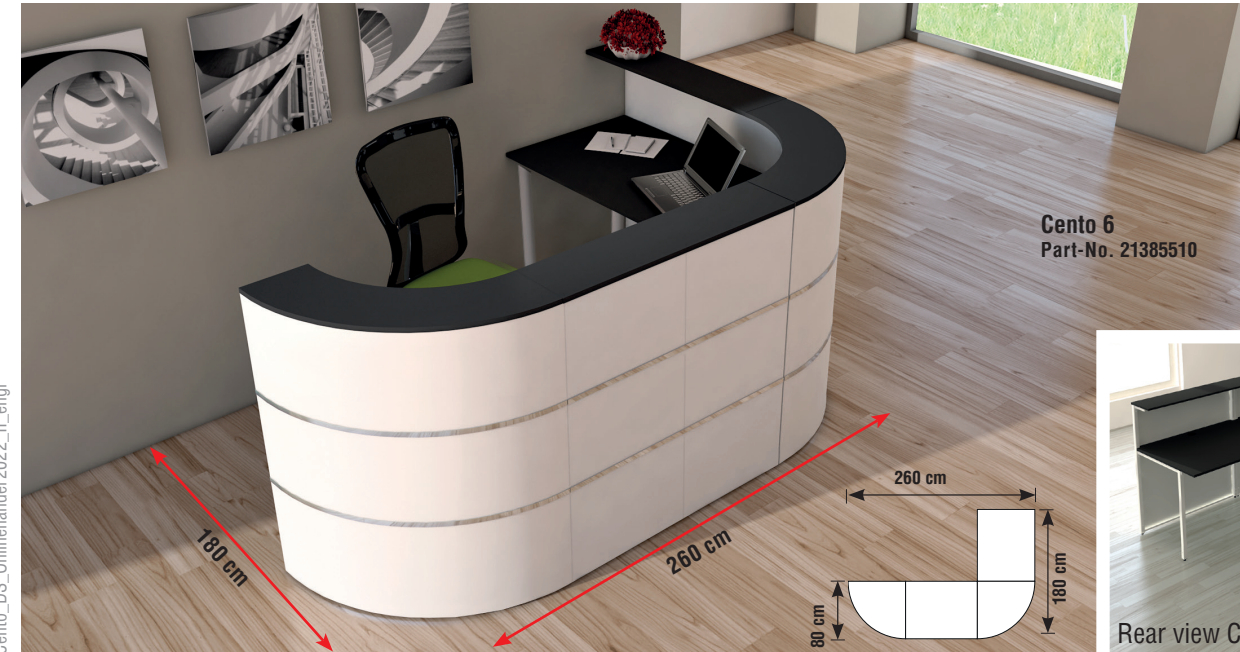

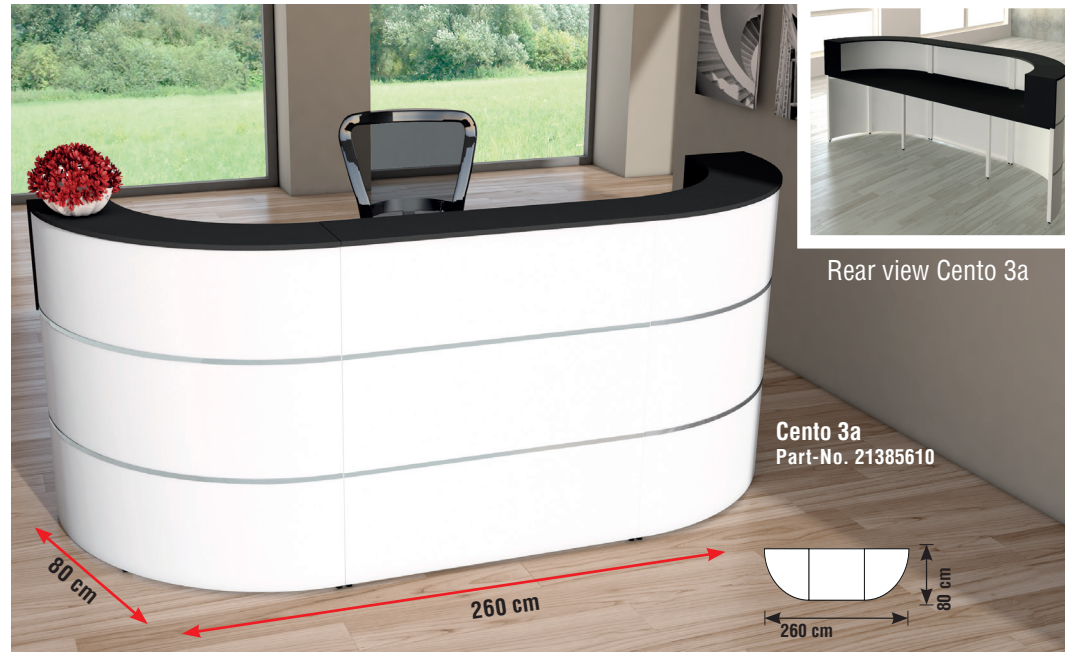

Add-on desk (# 21386110)

Side panel small (# 21386213)

Side panel large (# 21386313)
